CURRENCY

TECHNOLOGY

→ Worldwide trends

The market for public currencies is growing

The currency ecosystem is diversifying. While physical cash has lost none of its significance, central banks globally are already working on public forms of money for the digital age.

Cash

80% of consumer payments worldwide are made in cash.

Cash cycle

There are currently almost 700 billion banknotes in circulation globally.

CBDC¹

More than 130 central banks are looking into the introduction of digital currencies.
